PROFESSIONAL SUMMARY

Front-End Developer with 2.5+ years of experience, specializing in responsive web development and eCommerce platforms. Strong expertise in HTML, CSS, JavaScript, Shopify (Liquid), and UI optimization, with foundational knowledge of React.js. Experienced in building scalable, mobile-first user interfaces, ensuring cross-browser compatibility, and collaborating in Agile teams. Actively seeking Front-End / UI Developer roles in enterprise and product-based environments.

CORE SKILLS

- Front-End Web Development with **HTML5, CSS3, JavaScript (ES6+)**
- **Responsive & Mobile-First Design** using Flexbox, CSS Grid, Media Queries
- **Shopify Theme Development & Customization** using Liquid
- UI/UX Implementation & Cross-Browser Compatibility
- Performance Optimization & UI Debugging
- React.js (Basic) for component-based development
- Website Development using **Wix Studio**
- Version Control & Collaboration using **Git (Basic)**
- Browser DevTools, Cross-Browser Testing
- Agile / Scrum Methodology

PROFESSIONAL EXPERIENCE

2/2024 - Current

Front-End Developer

Accenture - Pune, India

- Developed and maintained responsive web applications using HTML5, CSS3, and JavaScript.
- Customized and enhanced Shopify themes using Liquid, improving UI consistency and brand alignment.
- Built and optimized eCommerce pages including product listings, product detail pages, collections, cart, and checkout UI.
- Implemented mobile-first and responsive layouts using Flexbox, Grid, and media queries.
- Translated Figma/UI designs into clean, pixel-perfect front-end code.
- Ensured cross-browser and cross-device compatibility across Chrome, Firefox, Edge, and Safari.
- Improved front-end performance by optimizing CSS structure and minimizing JavaScript execution.
- Collaborated with backend, QA, and design teams in Agile/Scrum environments.
- Identified and resolved UI bugs during testing and production support phases.

PROJECTS

1. Enterprise eCommerce Front-End Modernization

Client: ShopEase Retail Solutions, Austin, Texas, USA

Role: Front-End Developer

- Developed and customized Shopify themes using Liquid, HTML, CSS, and JavaScript.
- Designed responsive, mobile-first UI components to enhance user experience.
